ACE Regional Water Service begins in Marwayne

The Village of Marwayne is set to begin receiving potable water from the Alberta Central East (ACE) water system beginning in February 2019 providing our citizens with a long term, reliable water source.

This regional project (thirteen municipalities located in eastern Alberta) was initiated in response to the Government of Alberta's Water for Life Strategy—a long term strategy developed in 2003 to ensure safe, secure drinking water for all Albertans, while recognizing the limitations on raw water supplies. The source of water is changing from deep well ground water to surface water sourced from the North Saskatchewan River (via the City of Lloydminster and ACE Water Treatment Facility). With the transition to a new water source residents can expect to notice some differences in the water. It is very important for owners of water softening systems to have the equipment calibrated by their service providers as the hardness level and chemical composition of surface water can vary from well water.

The regeneration frequency of water softeners may be impacted by this change.

The Council of the Village of Marwayne will soon be amending their water rate billed to customers starting with February's bill to reflect the expense of purchasing ACE Water. Details on those amendments will be made available once the Bylaw is passed on our website and at the Village Office.

Questions regarding the new utility rates or the ACE Regional Waterline, may be directed to the Village CAO at 780-847-3962 or email us at marwayne@mcsnet.ca

DID YOU KNOW...The original Marwayne Community Hall was originally erected in the early 30's and

was used as a theatre, among other things, for showing movies in the months the roads were kept open for cars. The movies were put on by a man named Mr Kent Purdy from Edmonton with shows starting in 1933. It wasn't until the 1940's that the theatre was able to

be kept open all year long. This would last into the 70's where business dropped off and movies were no longer shown. The business had changed hands from Mr Purdy to Harvey Corr and finally ended with Lawrence Perks as owner.

"BROKEN" How are you feeling? Is your heart feeling broken?

February is considered the month of romance with flowers, cards, candy, poetry, etc.

February can also be a very hard month of reminders of this not being the norm. For many it is the reminder of love lost through death and the grief journey they are on and emptiness they feel. There is another loss that is experienced that is often not spoken of or thought of and that is the loss of broken relationships (divorce and separation). Broken hearts and broken dreams of "happily ever after".

This state of brokenness creates a change, loss and grieving process. Though not always talked about still felt deeply. New feelings and experiences emerge. Isolation, job and financial demands as a single, diminished personal self-worth, loneliness, depression, which can lead to substance abuse and mental health issues.

Stats in Alberta in 2011 indicate that 327,024 people were going through divorce or separation. Alberta has the highest rate of divorce and separation, and also for substance abuse and gambling. Stats Canada reported in 2016 that children also impacted by divorce and separation, living with one parent was 5,733,935. 2 in 10 of those aged 0-14 are with one parent and 1 in 10 with a step family. 1.4% live in a home without parents.

Is there anything that would help to deal with the deep sadness of grief, and feeling of brokenness? Firstly, recognizing that this is a time of grieving just as in any loss and this effects both you and your children. Learn about the grief process and find positive supports for both you and your children. Suggested supports are empowerment course at Interval Home, Mental Health counsellor or other counsellors, positive friends and family. What do you think about support groups that come together to share and learn in a safe supportive environment and support for the children with support groups to share with other children and have a sense of feeling "normal" with other children. Working through grief will help in healing the brokenness and work toward a new beginning.

Please share your comments with Walking through Grief Society 780-846-2576. Submitted by: Shirley L Scott (Walking Through Grief Society) Supported by FCSS City of Lloydminster, Towns of Vermilion and Wainwright, Villages of Kitscoty and Marwayne and County of Vermilion River.

"Let us all hope that the dark clouds of racial prejudice will soon pass away and the deep fog of misunderstanding will be lifted from our fear-drenched communities, and in some not too distant tomorrow the radiant stars of love and brotherhood will shine over our great nation with all their scintillating beauty."

- The Rev'd Dr. Martin Luther King Jr, *Letter from the Birmingham Jail*

Please feel welcome to join us for worship on **Sundays at 11:00am**, with coffee and fellowship following the service. There is a pot-luck lunch after church on the last Sunday of each month.

Marwayne Ag Society – update

Happy end of January everyone. I would like to introduce myself, my name is Lori Laberge and I will be replacing Carrie Stark. Thank you to Carrie for the time and training you have spent with me. Much appreciated and here's hoping I can do as well as you did in this position.

As for myself, I have 3 children and 3 grandchildren. All local in the Lloydminster area. My background is bookkeeping/financials. I am one of those weird people that love budgets and basically crunching numbers. I am very excited to start this position with the Marwayne Ag Society and look forward to meeting everyone involved with the various clubs and organizations of Marwayne. Tentatively, I will be in the office on Monday's. If you need to chat with me when I'm not in the office, please email the Ag society or call me on my cell at 780-522-9471.

MARWAYNE PUBLIC LIBRARY

February is a bleak winter month. Come to the library and enjoy our many activities for all ages:

Adult book club's next meeting to discuss *Hotel On The Corner of Bitter and Sweet* will be held on February 25th at 6:00 pm.

We will be handing out our next read, "The Boat People" by Sharon Bala.

When the rusty cargo ship carrying Mahindan and 500 fellow refugees reaches the shores of British Columbia, the young father is overcome with relief: he and his 6 year old son can finally put Sri Lanka's blood civil war behind them and begin new lives. Instead, the group is thrown into prison, with government officials and news headlines speculating that hidden among the "boat people" are members of a terrorist militia infamous for suicide attacks.

Get Your Mitts On A Good Book! We are currently holding our Winter Reading Program. Come to the library and get a Reading Log. The more you read, the more you have a chance to win one of six ACER Iconia One ten tablets. All reading logs must be returned to the library no later than February 28th.

In the bleak of midwinter
Frosty wind made moan,
Earth stood hard as iron
Water like a stone
Snow had fallen, snow on snow
In the bleak midwinter. Long ago.

It's time to **RENEW** pet licenses.

Pet licenses are due annually. The complete bylaw can be found on the Village website marwayne.ca. Prefer to renew online? Call the office during regular business hours 780-847-3962.

Number Your House

Displaying your house number prominently and accurately is critically important. In the case of a fire, medical emergency or other scenario during which emergency personnel need to find your home in a hurry, every second counts. A properly displayed house number can provide those valuable seconds.

A house number also helps you provide directions to visitors and make delivery services run smoothly.

To ensure visibility of your house number, the Village of Marwayne suggests:

- that numbers be 3" to 5" high,
- positioned by the main entrance or positioned over a garage entrance
- located at least four feet off the ground,
- clearly visible from the street

If you already have your number installed, please walk out in front of your house. Can you see your number from the street? Are their bushes blocking the view? There are no numbers missing? And the address is well lit at night?

House numbers and road names are used to identify homes and businesses for Emergency 9-1-1 service. Every home and business has been assigned a number. If you do not know your number, or would like to confirm what your number is, please call the Village of Marwayne Office at 780-847-3962.
