## Local Resident Assists Public Works By Reporting Broken Hydrant

*Third Street South*

A local Marwayne citizen was out walking one evening when she noticed standing water. Knowing that the Village Public Works department always requests to be notified when unusual standing water appears, the ratepayer called and notified the department of her findings that evening.

By being promptly notified, the Village was able to contract Rusway Construction Ltd to excavate and replace the hydrant.

The Marwayne Utility Department anticipates the hydrant was losing 30 liters/minute. Please remember to keep an eye out for unusual standing water and promptly report it to the Village.

When have you experienced resurrection in your life? When have you seen it in other's lives? What do we mean when we say "Christ is Risen! Hallelujah!"? Easter presents and opportunity to explore the unruly mystery of the resurrection and how it fuels faith, hope, and love in the world. It challenges us to follow Mary Magdalene's lead of letting go of loss and carrying her message of hope into the world: "I have seen the Lord." Please feel welcome to join us this Easter season as we share how we have experienced Christ in our lives.

Please feel welcome to join us for worship on **Sundays at 11:00am**, with coffee and fellowship following the service.

**Maundy Thursday worship is April 18<sup>th</sup> at 6:30pm in Kitscoty**

**Good Friday worship is April 19<sup>th</sup> at 7:30pm in Marwayne**

**Easter Sunday worship is April 21<sup>st</sup> at 11:00am**

There is a pot-luck lunch after church on the last Sunday of each month.
