AUGUST 2022 NEWSLETTER

Summer is in full swing!

Now that the warm weather is upon us, the Village of Marwayne is looking forward to moving ahead with all of this year's outdoor initiatives. If you haven't noticed already, we finally put to use the hanging baskets that were donated to us from the Town of Vermilion over 10 years ago! With the help of F'laura and Company, we were able to add a pop of color to our downtown streetscape. Further, the brackets on the light posts were constructed in house by our Public Works staff using materials we had laying around at the shop. These new little additions are just another way to brighten up our community and make summer in Marwayne that much more colorful! We hope that you enjoy them as much as we do!

COUNCIL HIGHLIGHT

- V3 Group of Companies attended the July 18th, 2022 Regular Council Meeting following the open house in the Cenovus Room at the community hall to present the newly redrafted Marwayne Sustainability Plan and Strategic Plan. Following the presentation and the opportunity for discussion, Council approved the Sustainability Plan and the Strategic Plan. You can find copies on the Village's website.
- Using a \$50,000 grant awarded from the Federation of Canadian Municipalities, a review of the Village's assets was conducted and a new Asset Management Plan was created with the assistance of Infrastructure Solutions. The new plan was also approved at the July 18th, 2022 Regular Council Meeting.
- The Village's new website will be launching in early August. Keep an eye out for the official announcement! A big thank you goes out to LOOP for their assistance in making the transition quick and easy. We look forward to sharing the new platform with you all soon.
- The Area Structure Plan for the Village's 16 acre parcel along Highway 897 is moving ahead nicely. The Village's consultants and subconsultants will be conducting surveys and assessments of the surrounding area over the next few months to gather data for the project. The new conceptual plan will assist the Village in attracting and retaining new commercial and industrial development to our community. This project was made possible by the Provincial Government who awarded the Village a \$180,000 Alberta Community Partnership Grant with the County of Vermilion River.

The Village of Marwayne has wire traps available for use if residents are finding that at large animals are in their yards or unwanted visitors (like skunks) are paying them a visit.

Volunteers Needed for Marwayne' s 100th Birthday Celebration!

The Village of Marwayne will be turning 100 in the year 2026!

We are looking for ideas, volunteers, vendors, etc. to partner with us to make the 100th birthday celebration a big success!

A PASTOR'S GLEANINGS

Think about this. Materialists, atheists, who use the argument of lack of causation to deny miracles; also deny a cause for the universe. So, they argue, there is no resurrection of the dead because there is no force able to cause it to happen, but a universe can pop out of nowhere without cause.

The argument for a godless, materialist universe defeats itself. There is a God. He is good. He won't be denied. His fingerprints are all over creation. He can be known. Isaiah encourages (55:6) "Seek the Lord while He may be found, call upon Him while He is near." And Jesus asserts us to ask, seek and knock. He is near and can be found. The Creator of the Universe knows you well and invites you to know Him. "Oh, taste and see, the Lord is good." Psalm 34:8

REFLECTION – CAN WE HELP?

Submitted by :Walking Through Grief Society 780-846-2576 / 780-871-1750

World Suicide Prevention Day, September 10th, 2022. Again we are caused to reflect on that date, set aside each year and what does that mean to us. Has Suicide impacted your life, your family, or your community? This year's theme "Creating Hope Through Action". A quote from International Association for Suicide Prevention states, "By encouraging understanding, reaching in, sharing experiences, we want to give people the confidence to take action. To prevent suicide requires us to become a beacon of light to those in pain".

To be a beacon requires non judgmental care of those struggling with mental illness (we have not walked in their shoes). Be an encouragement, be present, take TIME to LISTEN and give hope.

Suicidal thoughts and actions can affect all ages:

The aging; life is no longer full of making memories but more of remembering when life was full and they felt of worth, but now the world rushes past them. The feeling of not being needed or valued creeps in. If you are one who cares, watch for signs.

Being easily upset

Angry outbursts

Talking about nothing to live for

Seems more anxious and fearful

Cries a lot

Withdraws (isolates) from family and friends

Apathetic, doesn't care for anyone or any thing

For the working male or female, they can experience pressures of job, job losses, marital breakdowns, provider role, and illness creating overwhelming stress and depression often creeps in. Unhealthy thoughts, and habits and the spiral of depression begin. It is important that they have a safe place to reach out to. You may see:

Irritability/hostility short fuse)

Withdraw or extreme dependence on others

Hopeless or despairing

Changing sleep or eating patterns

Chronic fatigue

Substance abuse

Children and Youth are also at risk of completing suicide. There is information on the factors that cause contemplation of ending their lives that is available by contacting Alberta Mental Health, our number or email .

The information is extensive.

To end this article I want to share the upcoming date to mark on your calendar. September 10th, 2022 . The Regional Suicide Walk of Remembrance will be held at Bud Miller Park , from 3-5 with a supper to follow at the Legacy Center and hear speaker Allan Kehler speak about impact of suicide and awareness of prevention . His presentation is entitled – Mental Health , Finding Your Voice. This is a free event and tickets for supper are limited. Contact Neil or Laurie at 780-872-9294 or 780-214-4161, email neilharrismail@gmail.com .

May you look for and discover a gratitude for each day.

LAND TITLE DELAY – ALBERTA GOVERNMENT REIMBURSEMENT PROGRAM FOR TAX

Alberta Land Titles has been experiencing delays for 2022 registration of land title changes and subsequent notice to all municipalities for updating their tax rolls. This may result in incorrect owner information on municipal tax notices.

Alberta Land Title delays may also result in a situation where new property owners may not have received their annual tax notice(s) and therefore may not be aware of due dates and subsequent penalties for past due amounts.

To mitigate any financial loss resulting from such delays, the Government of Alberta has announced a reimbursement program. If you incur a penalty due to land title changes not being made on time, you may apply for reimbursement to Alberta Government.

Follow the link to view the press release from the Alberta Government noting the program overview and eligibility criteria.
<https://www.alberta.ca/property-tax-late-penalty-reimbursement.aspx>

The Village of Marwayne sent property tax notices on May 13, 2022 for 2022 tax year. If you have not received your annual Assessment and Tax Notice, please contact the Village office to receive a copy of your tax notice.
