## DECEMBER 2022 NEWSLETTER

### WINTER SNOW REMOVAL WITHIN THE COMMUNITY

With the winter months upon us, the Village is gearing up for a busy season of snow removal. If the first storm was any indication of what is to come, we are guaranteed to be working around the clock to ensure snow removal and sanding is conducted in a timely manner on Village streets, parking lots and back alleys.

As per Policy PW01, snow removal is only conducted when a minimum of three (3) inches of snow cover has accumulated on our main streets and six (6) inches of snow cover has accumulated on our residential streets. When these levels of snow accumulation have been reached, only then does the Village begin to conduct snow removal on a priority basis.

#### APPROVED PRIORITY SNOW REMOVAL AREAS

- (1) **Railway Avenue, Centre Street, 1st Street S to the back alley near the fire hall and 2nd Street S from Highway 897 to 2nd Avenue S**
- (2) **2nd Street S from the school to the manors, 3rd Street N, 2nd Avenue S, 1st Street N, 1st Avenue N&S and 2nd Avenue N from the water treatment plant to Railway Avenue**
- (3) **2nd, 3rd, & 5th Avenue N, 1st Avenue S and 3rd Street S**
- (4) **Back alleys, driveways, and the multiplex parking lot/sidewalks**

Further to the above, sanding occurs only on an as needed basis at those intersections approved by Council. All snow removal/sanding on Highway 897 is the responsibility of Alberta Transportation, all snow removal/sanding on 5th Street South/Township Road 524 is conducted by the County of Vermillion River and all snow removal/sanding in the school bus lanes and sidewalks is the responsibility of the Marwayne Jubilee School. Should you have any concerns with the snow removal in these areas, please contact the appropriate party.

#### **APPROVED SANDING AREAS—the school zone, Centre Street, back alley abutments, the curve on Railway Avenue N and the inclines on 3rd Avenue N and 2nd Avenue S.**

As has always been the case, snow removal on the sidewalks adjacent to personal residences and/or businesses remains the responsibility of the owner and must be cleared within twenty four (24) hours of a major snowfall. We kindly remind you to please drive according to the road conditions, in addition to obeying all traffic laws and signage. We thank you for your patience and understanding as we do our best to clear snow and sand intersections as quickly, efficiently, and safely as possible in the days following a major snow fall.

## COUNCIL HIGHLIGHT

- Council directed administration to conduct a survey to see whether or not residents were in favor to reduce the speed limit from 50km/hr to 30 km/hr on residential roads. After receiving over 70 responses, the majority of participants voted to keep the speed limits at 50km/hr. Council appreciates and values your feedback—so the speed limit will remain as is. Thank you to all who participated!
- Council approved a \$500.00 contribution towards the Marwayne Agricultural Society's event on February 25th, 2023 featuring Dr. Jody Carrington.
- GigAir by MCSNet is now available in Marwayne. Details on the higher speed internet service can be found on the Village's website under "Living Here".
- Council passed Bylaw No. 592-22, being a bylaw to amend the Fees and Charges Bylaw No. 544-15, for the purposes of driveway snow removal. For the 2022-2023 season and beyond, snow removal will be provided for a yearly fee as opposed to per occurrence. Details on these changes can be found on the next 2 pages of this newsletter.
- The Village's partnership with Service Line Warranties of Canada is scheduled to begin in February of 2023. Between now and then, residents can expect correspondence in their mailbox detailing the offerings of the insurance coverage which is 100% optional. The partnership is designed to assist homeowners with unexpected water and sewer line repairs for a low monthly fee.
- Council passed the interim 2023 Operational and Capital budgets with a projected 3% increase.
- The December Council meeting has been changed from December 12th to December 19th.

## Important Reminder

As per the 2022 Property Tax Bylaw No. 588-22, all property taxes payable to the Village of Marwayne were due on or before June 30th, 2022. Late payments were subject to a 12% penalty applied on the 1st day of July 2022.

**On the 1st day of January 2023, an additional penalty of 6% will be applied and added to any arrears taxes not paid on or before December 31st, 2022. If you are in tax arrears and have not settled your balance by December 31st, 2022, your property will be subject to the tax recovery process in 2023.**

## Volunteers Needed for Marwayne's 100th Birthday Celebration!

The Village of Marwayne will be turning 100 in the year 2026!

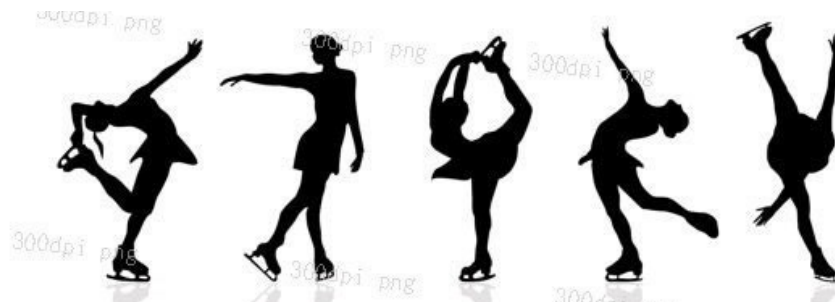

We are looking for ideas, volunteers, vendors, etc. to partner with us to make the 100th birthday celebration a big success!

We encourage anyone interested in joining the planning committee to contact the Village office today at 780-847-3962.

## Snow Removal on Private Property

Changes to driveway snow removal are now in effect following Council's adoption of Bylaw No. 592-22. Unlike past years, snow removal on private property will now be offered on a seasonal basis. Should you wish for our public works department to clear your driveway this winter with the use of our bobcat, the fee is \$200.00 per residence or \$100.00 for seniors—plus GST. The Village will no longer provide snow removal on a one-off basis.

Those who have already paid for driveway snow removal will have their fee pro-rated should they wish to continue to have the service conducted this season. As always, snow removal is conducted on a priority basis, with driveways being last. Public Works will clear all roadways and residential streets after a major snowfall prior to conducting driveway snow removal for residents. We thank you for your understanding of this change in level of service which is intended to make our operations more effective and efficient.

## Snow Removal and Sanding Policy

As is the case every year, the Village allows the snow on the streets to pack down before conducting any snow removal in accordance with our Snow Removal and Sanding Policy PW01. When snow removal is conducted, it is done on a priority basis. We thank you for your understanding. A copy of the policy and the priority list is available by visiting our website at [www.marwayne.ca](http://www.marwayne.ca) and an overview is on the front page of this newsletter!

## MJS Snapshot

Our SRC is doing a great job of getting the student body engaged in school wide events from Formal Day and Wear Your Stripes, to a well organized Halloween Parade for all to enjoy. We thank the Legion members who helped make our Remembrance Day ceremony special as we observed the occasion early, on Nov. 4. Our MJS Jr/Sr Awards Celebration will be held on Dec.1 at 2:00 and is open to the community. November sees volleyball teams wrapping up their seasons and the start of basketball season. School curling is underway and we are so thankful to the curling club in Marwayne for coming to the school to provide the elementary students an opportunity to learn the game with their floor curling kit. We will be utilizing the arena in December for skating in PE. Our community gym nights for the rest of 2022 are Nov 29, Dec 6 and Dec. 13. It is a great way to get active away from the cold this winter.

## **EXPERIENCING “DREADS” OF THE SEASON – WILL WE SURVIVE?**

“Helping Yourself Heal During The Holiday Season”

Exerts lovingly lifted from Dr. Alan Wolfelt Ph.D.( Center for Loss and Life Transitions)

**LOVE DOES NOT END WITH DEATH** – Since love does not end with death , holidays may result in a renewed sense of personal grief-a feeling of loss unlike that experienced in the routine of daily living. There is no simple guidelines but we hope the following suggestions will help you better cope with your grief during this painful time of year .

**TALK ABOUT YOUR GRIEF-** Express your feelings of grief. Ignoring the feelings won't make the pain go away. Find caring friends and relatives who will listen –without judgement, helping you feel better.

**BE TOLERANT OF YOUR PHYSICAL AND PSYCHOLOGICAL LIMITS-** Grief loss may leave you feeling fatigued and the low energy level slows you down. Respect what your body and mind are telling you. Lower your expectations about being at your peak during the holiday season.

**ELIMINATE UNNECESSARY STRESS-**Avoid isolating but make sure you have some time for yourself. Keeping busy won't distract you from your grief, but may increase your stress.

**BE WITH SUPPORTIVE COMFORTING PEOPLE-** Find supportive people who encourage you to be yourself and accept your feelings ,both happy and sad.

**TALK ABOUT THE PERSON WHO HAS DIED-**Include the person's name in holiday conversation. remember that special person who was an important part of your life. Others will likely be more open to acknowledging the loved one's name if you do.

**DO WHAT IS RIGHT FOR YOU DURING THE HOLIDAYS-**Instead of going along with other's plans , focus on what you want too. Discuss your wishes with caring trusted family or friends. Clarify what you want and need during the holiday.

**PLAN AHEAD FOR FAMILY GATHERINGS-**Decide what family traditions you want to continue and what you would like to begin new. Structure holiday time-have a plan, don't exhaust yourself mentally or physically. Getting caught off guard can create feelings of panic, fear and anxiety when your feelings of grief are already heightened. Be sure in your structure you leave room for change if needed.

**EMBRACE YOUR TREASURE OF MEMORIES-**Memories are the best legacies that exist after the death of someone loved. Holidays make you think of the past. Don't ignore the memories but share them with family and friends. Remember memories will be tinged with happy and sad

**RENEW YOUR RESOURCES FOR LIVING-**Pause to think of the meaning and purpose of your life. The loss creates opportunities to take inventory of life –past, present and future. Take time to use this time to define the positive things in your life that surround you.

**EXPRESS YOUR FAITH-**During the holidays you may find a renewed sense of faith or discover a new set of beliefs. Associate and talk with people who respect your need to talk about those beliefs. If faith is important you may want to attend a holiday service. As you approach the holiday remember grief is both a necessity and a privilege. It comes as a result of giving and receiving love. Don't let anyone take your grief away. Love yourself. Be patient with yourself. Allow yourself to be surrounded by loving, caring people.

Our hope at Walking Through Grief Society is that these thoughts will take away the dreads and that you may honour your loved one in the holiday season with thoughts, feelings and actions.

## A Pastor's Gleanings

The amount of time it took to earn enough money to buy a pound of sugar in 1850 would in 2022 earn enough to buy 227 pounds of sugar! That is because the great increased volume of sugar produced has cheapened its value relative to labor. The increase of our material wealth has been astounding.

Too much sugar isn't always good for us. Can we have too much wealth? Are we happier than in 1850? If divorce, suicide or addictions are indicators we aren't. I like our wealth and I like sugar, but how much good?

The Psalmist asked and answered. "There are many who say 'Who will show us some good? Lift up the light of your face upon us, O Lord!' You have put more joy in my heart than they have when their grain and wine abound." The Word of God came to us in a babe in a manger on that first Christmas. His light brings greater joy than abundant cheap sugar and material wealth. "Joy to the world the Lord is come!" Merry Christmas, join us Christmas Eve to sing those wonderful joyful carols.

Bethel Lutheran Church Lea Park, services Sundays at 10:30, Christmas Eve at 7:00 PM. Pastors Kevin 780 872 0070 or Ed 780 808 5026.
