2024 Pet Licensing—New Additions & Renewals

The Village of Marwayne is pleased to announce a change in our pet licensing effective January 2024. Beginning in the new year, pet licenses will be managed and invoiced through our accounting software offered by CentralSquare. This means, we will now be able to store even more details about your pet to ensure their safe return to you should they ever go missing. The best part of our new program is that we can also attach a photo of your pet to your profile so that we know exactly whose dog may have gotten out and prevent them from being brought in to the SPCA in Lloydminster. If you would like to renew your pet's information and email us a photo and/or bring them into the office so that we can take their photo, the Village of Marwayne will waive your 2024 pet licensing fee. Animal information, and photo must be submitted on or before January 31st, 2024 to be eligible. Any submissions after the deadline will need to be paid for in accordance with our Animal Control Bylaw. We are looking for the below information to update our files! Please print a copy of the form from our website or come into the administration office to get yours before the deadline! One form for each pet must be completed.

Thank you in advance for your participation.

A.C. Dixon wrote "When we rely upon organization, we get what organization can do, when we rely upon education, we get what education can do, when we rely upon eloquence, we get what eloquence can do; and so on. But when we rely upon prayer, we get what God can do."

The Apostle Paul exhorts us "do not be anxious about anything, but in everything by prayer and supplication let your requests be known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus."

Kitscoty Multi 4-H

Jace Moir, Club Reporter

Kitscoty Multi 4-H Club has had an exciting start to our year, we have doubled in both member and Cleaver numbers, as well as starting up some new projects. Our Archery project members have had a blast attending archery on Monday evenings at the Vermilion Legion Armoury. The Small Engines project members has held their safety meeting and first workshop. The ram is in with the ewes in our sheep project and a due date of March 1 is expected. Our light horse member is busy attending barrel racing jackpots and starting to practice roping while moving her horses to winter feed to keep them warm. The Creative Options members held their first workshop and had fun making Christmas treats, this reporter thinks the butter tarts were the highlight. Our Cleavers had a lot of fun making crafts and getting to know each other at the first meeting. They worked on a special project to give back during our November meeting, I look forward to hearing their report in December. We held elections at our November meeting and are looking forward to fulfilling our new jobs. Club members are looking forward to working on their projects next month and getting together for our Christmas party.

Christmas Eve Service – December 24 – 9:30 am

What does “Noel” mean? A quick Google tells us that it is an old French word that meant “birthday” and developed to a term for Christmas, as in the birthday of Jesus. If we dig a little deeper, we can find a treasure of meaning that can help us infuse an old Christmas hymn with life.

Isaiah shares this prophecy – “Unto us a child is born, a son is given” (Isaiah 9:6). It is important to notice the difference of those two phrases. Jesus was physically born of Mary 2000 years ago with animals all around him, swaddled with cloths and placed in a manger. That event happened in history. However, the Son of God was given. Christ, the Anointed One, is eternal. In that moment, the eternal and heavenly reality entered the broken, temporary world. Jesus was both fully God and fully human.

The noel season is an amazing reminder that we have been given treasures in these earthly vessels (2 Cor 4:7). We have been redeemed from the curse of sin and death into life everlasting in relationship with a Father who loves us and is excited we are in his family. We can live in that celebration, that constant, inexpressible, full joy because of the what happened on that day thousands of years ago.

We can rejoice in him always. And again, I say rejoice. Peace.

Join us this Christmas season where each Sunday, marking a new week in Advent, a candle is lit until we arrive at the white, center candle which stands for Christ.

Hope. Love. Joy. Peace.

Marwayne Ag Society

The Ag Society has had a very busy fall with lots of events, project planning and many of the groups in full go with their activities.

Hats off to the Marwayne Arena group for hosting a successful fundraiser and community event at the **Gord Bamford Concert** in September. Funds raised at this event will be going towards our first major project which is **replacing the concrete ice surface and brine lines as well as surrounding boards, plexiglass and bleachers in the arena**. This project budget is estimated to be about one million dollars. Our goal is to complete this project in spring of 2025. All funds raised from the upcoming **Ladies Night Out** will be going towards this project as well and more fundraisers are planned. In addition the Ag Society has received grant funding towards this project and is working together with Alberta Counsel to secure additional grant money.

October saw another very successful **fall supper** serving 400 people. Thank you to the amazing volunteers who prep, cook, clean and those who bring desserts. Thank you to Colleen Hozack for her generous donation of all the buns year after year. Thank you to Ilona Franklin for being our fearless leader and ensuring the event goes off without a hitch. This event was also the first opportunity for everyone to see the large new TV screens that have been installed in the hall. They worked great for streaming the hockey game at the fall supper and we look forward to utilizing them at future events.

Thank you to the **County of Vermilion River** for their funding support once again this year towards our many recreational facilities in Marwayne. This funding helps keep the doors open and the power on in our facilities.

The Ladies Auxiliary hosted pancake suppers in October and November. Mark your calendars for **December 11** for another delicious **pancake supper at the arena**. Special thanks to Justin, Ashley and Audrey Rainey and Kelsey Volz for getting the ball rolling on this and making these suppers happen. Skip the Dishes Marwayne style at the Marwayne Arena!

The Curling Club was home to 16 teams Nov 24 & 25 as they hosted their annual **Farmer's Bonspiel** with teams from Mannville to Paradise Hill and everywhere in between. The event was once again very successful and a large thanks goes to P&H Marwayne, Cargill and Nutrien Dewberry for sponsoring the supper for everyone. As well to all of the companies and individuals who donated money and prizes towards the event.

Marwayne Ag Society *continued*

The Community Hall hosted the first every **Movie Night** on November 30! Entrance was free and snacks, popcorn and beverages were available to purchase. Thanks to everyone who came out and we look forward to hosting another movie night in the coming months.

Upcoming events include **Lite Up Marwayne** on December 3 from 4-7PM at the Community Hall. **New Year's Eve Party** on December 31 at the hall. Mark your calendars as well for our 2nd Annual **Ladies Nite Out** on February 24, 2024. We are hosting the incredible Jess Tetu as our speaker and the event will also include our now famous charcuterie spread, a silent auction and a raffle for a trip for 2 to Vegas. Huge shout out to **Beauty From Bees** for stepping up as our title sponsor once again this year.

Wow! That seemed like a lot and I'm sure (I know) we've missed some events and groups here but we can't take up the whole newsletter! There is lots more to come as we head into the New Year. Stay tuned here to this wonderful newsletter and to our Facebook and Instagram pages. Any questions or input for the Ag Society can be directed to Yolanda Oberhofer @ 639-536-4584

With that we would like to wish everyone a very **Merry Christmas** and all the best in the **New Year**. The Ag Society is incredibly grateful for our amazing community, the residents who **participate** in our programs and events, the incredible **businesses** who step up time and time again to sponsor events and the outstanding volunteers who have the **passion** to keep our facilities top notch and provide activities for all.

Merry Christmas

NAVIGATING GRIEF DURING THE HOLIDAY SEASON

For many, the holiday season can be a time for gatherings, time spent with loved ones, and time of reflection. This is often met with a wide range of emotional experiences, since the holidays can be a smooth time for some while for others it feels rocky and difficult. An additional challenge can be brought on for those who are navigating grief and loss during the season. It is understandable that the holidays can add stress or intensify the grieving process.

Dr. Alan D. Wolfelt, author of *Healing your Holiday Grief, 100 Practical Ideas for Blending Mourning and Celebration During the Holiday Season*, offers guidance for navigating the holiday season. The following list includes several practical ideas that Dr. Wolfelt recommends:

- Be Compassionate with Yourself – Practicing compassion towards others can often be easy, however, it is also helpful to provide compassion to oneself during the holiday season.
- Communicate Your Wishes – You may feel like participating in the holiday season as usual or you may feel you need to limit your festivities. Allow yourself to communicate your wishes to your family and friends.
- Attend a Remembrance Ceremony – Many funeral homes in the area host remembrance ceremonies around this time of year.
- Hang a Special Stocking – If you decorate with stockings in your household, you may find it helpful to include a special stocking for a loved one who has passed away.
- Keep What Matters – At times, people can feel overwhelmed by the expectations of holiday traditions. Dr. Wolfelt recommends simplifying rituals to reduce any added stress.
- Prepare Favourite Foods – Consider including the favourite foods of your loved one to honour their memory.
- If Alone, Find Ways to Connect – Sometimes it can be very isolating to lose someone. Find ways to connect with family and friends who you have maybe lost touch with to increase your level of connectedness.
- Attend a Therapy Appointment – Connect with a therapist, such as a grief counsellor, to allow yourself to connect with a non-judgemental and caring listening ear.

It is hoped that you will find less stress in navigating this holiday season by using some of these practical strategies. Remember that the season will gradually pass, and you may find comfort in the transition to the upcoming new year.
